

CAMELOT COURT July/August/Sept MDL new project

-Deadline for photos to be posted online – October 1st, 2020

-Send all photos to DANA@DANAburton.com (I try to go on emails once every 24 hours)

A) BASICS

CAMELOT COURT is a fictional place where magical and historical dolls can reside in cyberspace. Contests, Treasure Chest (finding) games, a visual hand drawn map of the Castle interior and exterior by JIL, and the entire month of July devoted to inspiring you in creating.

B) HOW to Begin

1. Decide who you want to be.
2. Find doll/materials and items for a scene (if you wish)

For example, below is a link to a sample CHARACTER Page for our CC (Camelot Court) project!

<http://www.minidolllist.com/Camelot/Castle/Character%20Pages/Anne%20L.html>

You can take part in 1 of 3 different levels of involvement.

1. BASIC CHARACTER Send me your doll photo/scene and name.
2. Intermediate Character (same as above but with storyline and Coat of arms). This ensures your name in the Town crier (newspaper) and games etc.
3. Adv Character (same as above) but with a vendor page (something to sell) or part of the staff (gaming, research, puzzle maker, map drawer etc etc).

C) DANA Kit Contests

1. Tassie (our Medieval maiden) is an excellent magical princess.
-Photos of her (for the kit contest) are due October 1st.
-July is our *MAGICAL* realm ideas and tips on making her
2. Queen Thelma and her pages will be showcased in AUGUST during our Historically accurate Medieval/Ren theme month. Photo of her will be due October 1st for the kit contest.

PLEASE NOTE ... you can use ANY doll, materials, props scene you wish! I simply came up with two different dolls for those that need a base kit to customize. Both are sold out.

D) Vendors

<http://www.minidolllist.com/Camelot/Castle/Faire%20Vendors/Sponsor.html>

Here is a sample webpage – for the Vendors that wish to take part in Camelot Court (as in offering appropriate items for sale – Ren/Magical/Med). Cost is \$2 per ad space – and all \$\$ goes towards the RAK postage for 2021. Please use donations@minidolllist.com so the \$\$ goes in the right account.

Using the link (which may have outdated info on it – but I kept so you would have a sample) ... just send me your details.

E) Sign up

You can sign up today THRU July 25th by emailing DANA.

The first DRAGON game will be held on Monday 27th by JIL.

-Each person may enter ONE doll (or several dolls in ONE DOLL SCENE)

ONE photo per person

-Each person will receive a personalized webpage with your story and photo (upon completion of the doll – sending me photo).

-This project will be very similar to ROSE CREEK with a ***town crier* newspaper, and many *find the hidden gold* contests and a big secret tunnel/hidden passageway treasure map and more ...**

The ONLY cost to join – is one medieval relic sent to DANA (a.k.a. Queen Thelma) to put in the treasury. Upon completion of the project, all items in the treasury will be auctioned/sold off to help pay for 2021's website/ribbons/list/RAK costs.

DO NOT PANIC ... you can send a pretty miniature flower, or piece of furniture, or braided rug, or plate of food, or tiny pewter sword, or something you hand made especially for this project and our auction (Medieval in nature).

For those that desire ... a nice photo of the object with appropriate appreciation of the artist will be listed in the ***program guide*** for the auction October 1st. GREAT advertisement for vendors! AND a big hug of appreciation for upcoming RAKS!

If you are abroad and cannot make something for the *treasury* ... you can make a small donation instead. All proceeds go towards our annual fund raiser in Sept/Oct.

This concludes the BASICS of the new MDL (www.minidollLIST.com) project.
Click to the list website for updates, new free tutorials and more. I have loads of fun items ...
just doing a bit every day as I can.

HAPPY CREATING!
